RULES

Contents

200 Cards (400 Questions), 6 Playing Pieces,
5-Second Twisted Timer, Game Board, Rules.

Object

Be the first player to make it to the 'Finish' by giving answers before the Timer runs out.

Set Up

- Place the Game Board, Timer, and Card Box containing the Cards within reach of all players.
- Older or more experienced players are required to "Name 3...", younger less experienced players are allowed to give only 2 answers.
- Each player chooses a colour playing piece, and places it on the 'Start' space.

Play

- The youngest player is the first to play, the person on his/her right draws a Card and reads it out loud. A parent or older child may help with the reading of the Card.
- As soon as the Card is read, start the Timer by flipping it. The first player then has 5 seconds to name 3 (or 2) answers. If 3 (or 2) correct answers are given, before all of the balls reach the bottom of the Timer, that player moves one space forward on the Game Board.
- The next player to the left then has 5 seconds to answer the same question, but **cannot** use any of the answers previously given for that Card.
- Play continues clockwise until someone cannot name 3 (or 2) in 5 seconds, and therefore does not move up on the Game Board.

- The person to the left of the player who last failed to move up on the Game Board, is the player who starts with a new Card drawn from the Card Box. The player to their right, reads it aloud. Play continues in this format, until there is a winner.

Winning the Game

The first player to reach 'Finish' on the Game Board is the winner!

Bonus Time Space

If the answering player lands on a Bonus Time Space, he/she receives an additional 5 seconds to answer! When time is up after the first 5 seconds, simply flip the Timer back over to commence the additional 5 seconds.

Questionable Answers

Not sure if an answer given is correct? The group of players as a whole, decide if the answer is acceptable. If necessary, the questionable answer can be looked up.

Game Play Suggestion

Play as 2 player teams! It can add a twist of fun..... and mayhem!!
